As the first version based off the newly adopted CD Pre-Draft Map 1.1, CD Test Map Version 2.0 looks to offer a view of splitting Tucson diagonally into differing districts as well as moves the northern tribes from District 9 to District 2. The CD Test Map Version 2.0 is accessible in the Redistricting System. For more information on the methodology used to create these boundaries, please visit: https://redistricting-irc-az.hub.arcgis.com/pages/draft-maps
