Search for records, such as agreements with other government agencies, maps and other documents from the Public Works, Transportation, and Planning, Building and Development departments.

To find documents, use the pull-down menu in the Select Search Type field, select the department abbreviation and type of document you are searching.

DOT = Transportation
PW = Public Works
PB&D = Planning, Building & Development

Search fields will appear that correspond with you chosen document type. You can use some or all of these fields to help narrow your search.

Select the Search button to retrieve related documents. Use the Clear button to clear the fields.
